

Day 8 journal entry

Rudra Shende

If you could give advice to a student starting this internship next year, what would it be?

One piece of advice I would give to a student interning next year would be **ALWAYS, ALWAYS network with people!!!! It does not matter if they are people who you have never met before, or even just regular friends.** They could be your ticket to a future job opportunity. If they are older than you, they could also give really valuable advice that can help you in the future.
