Day 4 journal entry

Arjun Patel

Choose 1 of the following prompts to respond to and then delete the prompt(s) that you did not choose.

Prompt option 1: **What is a topic that you found interesting this week? How do you plan to seek additional information and learn more about that topic?**
I discussed the idea of coding apps with React JS with Mr Ryan Long. I plan to spend some time researching it and maybe reaching out to him with more questions when I learn more and know what I want to do with it.

| *Prompt option 2:* **Discuss your interactions with various people during your internship and the value each relationship brings (peer interns, college mentor, session speakers, higher-level leaders).** |
| --- |
| Add your response here |

Prompt option 3: **What are your main takeaways from this first half of your internship and how do you plan to carry those lessons into your second week?**
Add your response here

Export + contribute your reflection

1. Once you've filled out the above prompts, export this doc as a PDF. Note: make sure you rename the file to be in the format `[Firstname Lastname] Day 4 Journal Entry`

2. Now that you have a PDF of this week's reflections saved locally to your laptop, you should contribute the PDF to your personal GitHub dropbox area in [our shared repo](#). Use the ['Journal entry contribution' cheat sheet here](#) to assist you and ask a GitHub coach for help if you need it!
