# Day 8 journal entry

Mya Evans

Prompt option 3: **If you could give advice to a student starting this internship next year, what would it be?**

If I could give advice to someone starting this internship next year, I'd say: don't be afraid to ask questions and get involved. Try to be curious and take the initiative instead of just waiting for work to come your way. Building good relationships with the people around you will make a big difference, so be friendly and open.

Export + contribute your reflection
